

HEIMS Online User Guide for VET FEE-HELP Subsidised Reports

A guide to using HEIMS Data View to view VET FEE-HELP Subsidised Reports

Overview

HEIMS Online provides a centralised access point for higher education and VET providers to view their own data reported to the Higher Education Information Management System (HEIMS). It also provides access to State Governments to view information reports on State Subsidised students.

Purpose

The purpose of this document is to assist providers to navigate and view the student, staff and course data they have reported to HEIMS through HEIMS Data View.

HEIMS Data View reports display "live" or active data i.e. the most recent data reported and successfully stored in HEIMS. This includes all revisions to data.

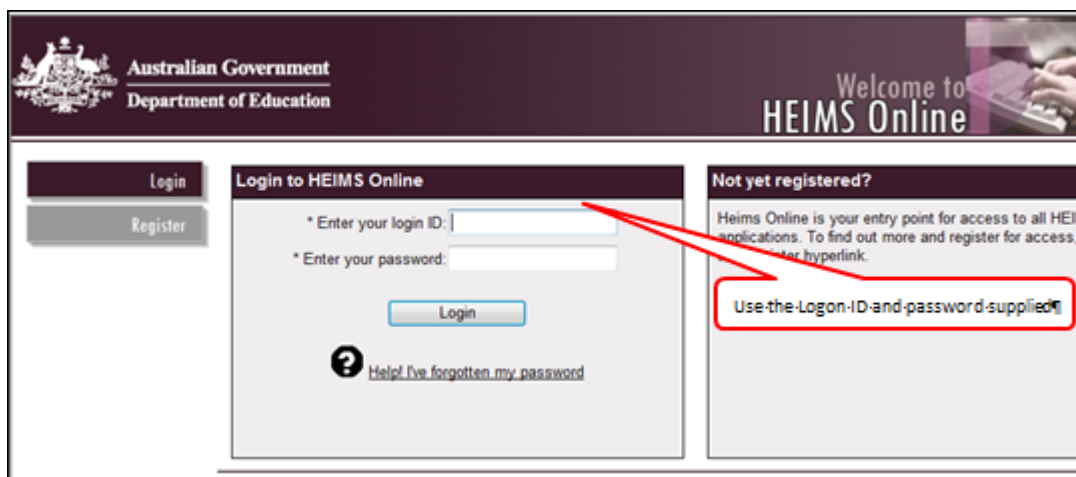

Access

[HEIMS Online](https://app.heims.education.gov.au) can be accessed at <https://app.heims.education.gov.au>

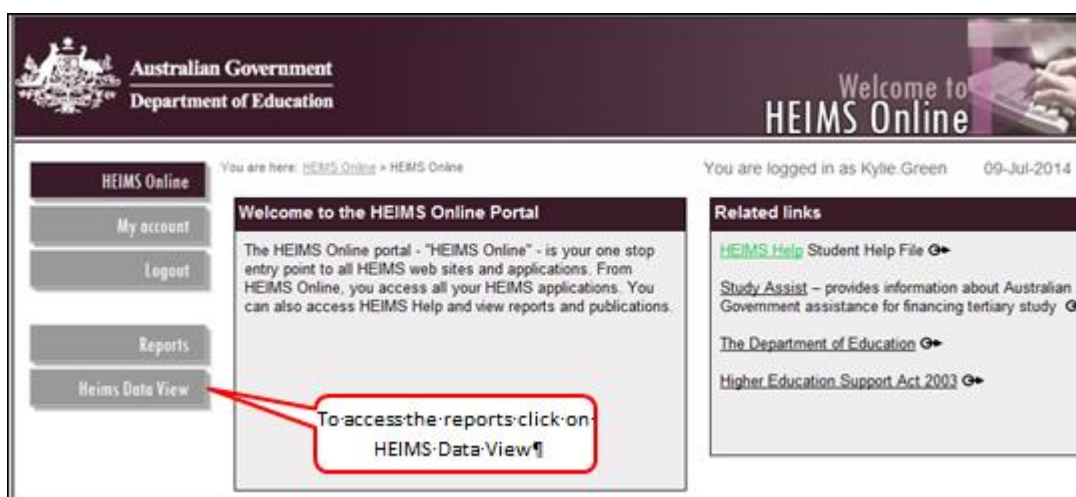

To gain access to HEIMS Online you will need to complete and submit an [Access to HEIMS applications](#) form.
