

# Reporting Recognition of Prior Learning

Reporting method when a separate RPL fee is charged

**YES**

Fee Charged

**YES**

**NO**

A separate RPL unit of study with a unique code is created to reflect RPL assessment activity for a course

There is no requirement to report this information

**(VLL File)**  
RPL unit of study is reported with a nominal EFTSL value [E339 = 0000000001]  
RPL charge is reported on E384

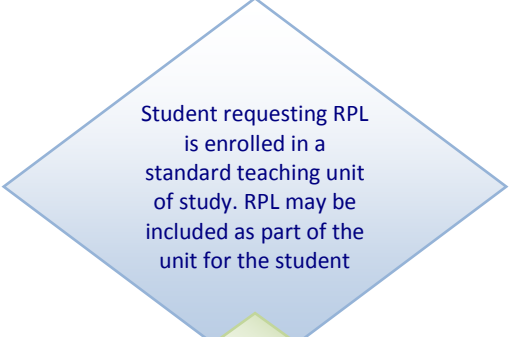

**NOTE:**  
Reported RPL fee is consistent with schedule of fees to provide students with transparency on study costs

**(VLL File)**  
E577 RPL Indicator is reported as either code 1 [wholly RPL] or 2 [RPL + gap training]

**(VEN File)**  
Any credit or RPL granted towards the student's course is reported on E560 and E565

**(VCU File)**  
Completion status for E355 may be reported as 5 (RPL), if no other code is appropriate

Reporting method when a tuition fee is charged

**YES**

**NOTE:**  
Reported tuition fee and EFTSL is consistent with schedule of fees to provide students with transparency on study costs

**(VLL File)**  
The unit of study is reported as a standard unit of study.

**(VLL File)**  
E577 RPL Indicator is reported as "0" - unit of study is fundamentally a teaching unit

**(VEN File)**  
Any credit or RPL granted towards the student's course is reported on E560 and E565

**(VCU File)**  
Completion status for Element 355 is reported with codes 1 – 4 applicable to a teaching unit of study
