

HEPCAT Production Release Notes

HEPCAT Release 27

Please see [Attachment A](#) for information on new validations and specific validation changes to existing submissions.

New for Higher Education Providers

1. Load Liability File and Revised Load Liability File

To support the removal FEE-HELP loan fees for Table B providers, two existing validations have been changed and three new validations have been added:

- Validations 7731 and 4125 updated in the Load Liability file / Revised Load Liability file
- Validations 8657-8659 added to the Load Liability file / Revised Load Liability file.
